Remarks:

For your investigative assistance, a number of significant similarities were noted in the type impressions on specimen Q2 and the type impressions on specimen K2. However, these similarities are insufficient to warrant a positive determination as to whether one typewriter was used in the preparation of this material. In view of the fact that the difficulty lies in the number of similarities noted, it is doubtful whether any additional typewriting will be of value.

Because of the lack of a sufficient number of similarities in the type impressions appearing on specimen Q2 and the type impressions appearing on specimen K2, a definite opinion was not reached as to whether specimen Q2 was prepared on the typewriter used to prepare specimen K2.

He said this memorandum was received anonymously and is most damaging to [REDACTED] as a defendant in instant trial. AUSA LIMAN stated that if it can be proven that this memorandum was typed on the typewriter in [REDACTED] office, he is of the opinion that [REDACTED] will be forced to not only plead guilty in the Gulf Coast Trial, but also furnish the evidence he is alleged to possess regarding ROY COHN.

Enclosed herewith is above memorandum which has slip of paper attached stating "Unknown". This is the questioned document. Also enclosed are the following documents (known specimens which are known to have been prepared on [REDACTED] typewriter around the pertinent period:

On 2/26/63, [REDACTED] Office of the Clerk, U.S. House of Representatives, room 522, Old House Office Building, Washington, D.C., advised SA [REDACTED] that the New York County Republican Party Organization would not be required to send in a report of contributors to the 1960 New York County Republican presidential campaign. She stated, however, that some state organizations do file such reports of contributions with the Office of the Clerk, U.S. House of Representatives, however, she does not recall receiving or seeing such a report from the New York County Republican Organization in connection with the 1960 presidential campaign. She said that the individual states would possibly have laws requiring such organizations to file reports with their secretaries of state.

b7c

[REDACTED] made available to SA [REDACTED] a list of "political campaign reports, 1960" received by the Office of the Clerk, U.S. House of Representatives. Examination of this list failed to disclose that the New York County Republican Organization had filed a report of contributions concerning the 1960 presidential campaign.

The Albany Division is requested to contact the Secretary of State at Albany and determine whether the New York County Republican Organization would be required to file the records of contributors to the 1960 New York County Republican presidential campaign. If the record of contributors to this campaign fund has been filed with the Secretary of State, the Albany Division is requested to examine the list of contributors to determine if [REDACTED] had contributed [REDACTED] to the campaign.

The Bureau has instructed that all leads in this matter be covered and reported in five days and all persons interviewed are to be informed the investigation is at the request of the USA, SDNY.

On 3/15/63, AUSA WALPIN in presence of AUSA COHN, SAs [REDACTED] and [REDACTED] telephonically contacted ROY M. COHN. He advised him that since he is an attorney, he was being extended the courtesy of a telephonic request in lieu of a subpoena to appear before FGJ, SDNY, on 3/21/63. According to AUSA WALPIN, ROY COHN wanted time to consider the legal consequences of this and to consult an attorney. ROY COHN stated that since the USA's Office "was out to get him and were spreading stories and rumors about him" he might want to make a motion to quash the subpoena. AUSA WALPIN stated to ROY COHN that he did not agree with his allegations and that he desired a commitment from COHN that he would appear. AUSA WALPIN advised that ROY COHN said he would appear as scheduled and if he desired a formal subpoena for purposes of a motion to quash it he would notify WALPIN by 3/19/63. ROY COHN remarked that he was spending the weekend in the South.

NY 58-1232

AUSA WALPIN requested a conference be held on 3/19/63, with representatives of NYO to prepare for ROY COHN's appearance before FGJ.

Reurairtel 3/25/63.

Bureau notes that during a conference with USA Robert M. Morgenthau and the AUSAs actively handling this grand jury probe, it was stated by them that all possible investigative steps have already been taken to attempt to place Robson in Las Vegas in the period 8/22 - 24/59. Further, that lacking confirmation of Robson's presence there on the above dates and being [REDACTED] b7D

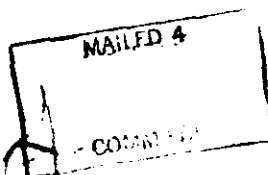

[REDACTED] the possibility of successful bribery prosecution against Robson is negated.

The Bureau is well aware that the FBI is being utilized to investigate leads obtained by the USA as a result of his grand jury probe into this matter, and that all investigation conducted is at his specific request. We must be careful to avoid the wasteful use of manpower and possible embarrassment to the Bureau incident to a "fishing"-type investigation which does not appear to serve any purpose in proving the allegation.

Reairtel sets out extensive investigation which has been requested by the AUSAs handling this grand jury investigation which obviously will require a considerable amount of investigative time and the utilization of a number of Special Agents. Reairtel does not make clear to the Bureau the reason for conducting the far-reaching investigation

You should advise the Bureau the exact pertinence, point by point, of each item set forth in reairtel, showing the relation of each item of investigation to the basic allegation which is being investigated.

If the necessity for conducting this investigation is not clear, to the New York Office, it is suggested that it may be desirable to discuss these requests with the USA to determine their relevance and objective of the USA in each item of investigation requested.

I. [REDACTED] ALLEGED 1960 POLITICAL CONTRIBUTION

On February 14, 1963, Assistant United States Attorney (AUSA) DONALD J. COHN, Southern District of New York (SDNY), advised that he had received information to the effect that in 1960 [REDACTED] in cash to the New York County Committee of the Republican Party in connection with the 1960 Presidential campaign. AUSA COHN felt that this money may have been paid to [REDACTED] rather than the Republican Party.

On February 26, 1963, [REDACTED], Office of the Clerk, U.S. House of Representatives, Room 522, Old House Office Building, Washington, D.C., advised SA [REDACTED] that the New York County Republican Party Organization would not be required to send in a report of contributors to the 1960 New York County Republican Presidential campaign. She stated, however, that some state organizations do file such reports of contributions with the Office of the Clerk, U.S. House of Representatives, however, she does not recall receiving or seeing such a report from the New York County Republican Organization in connection with the 1960 Presidential campaign. She said that the individual states would possibly have laws requiring such organizations to file reports with their Secretaries of State.

[REDACTED] made available to SA [REDACTED] a list of "political campaign reports, 1960" received by the Office of the Clerk, U.S. House of Representatives. Examination of this list failed to disclose that the New York County Republican Organization had filed a report of contributions concerning the 1960 Presidential campaign.
